

● PRODUCTION-READY SHORT-FORM SCRIPT

The Founder Content System

INSTAGRAM REELS • 30 SECONDS • 78 WORDS

OBJECTIVE

Show founders why consistency comes from captured thinking, not constant reinvention.

WINNING HOOK

Posting more will not fix a broken content system.

TIMECODED PRODUCTION SCRIPT

00:00 to 00:04

Posting more will not fix a broken content system.

VISUAL Start tight on scattered documents, then snap to one organized knowledge map.

ON SCREEN MORE POSTS ARE NOT THE FIX

EDIT Fast push-in with a hard cut on the final word.

00:04 to 00:12

When every idea starts from zero, your voice changes and your positioning drifts.

VISUAL Show three drafts with different headlines and tones.

ON SCREEN ZERO CONTEXT = ZERO CONSISTENCY

EDIT Three rhythmic cuts with keywords highlighted.

00:12 to 00:22

A second brain keeps your expertise, stories, and point of view in one connected system.

VISUAL Notes connect into a constellation, then feed a script card.

ON SCREEN CAPTURE. CONNECT. CREATE.

EDIT Slow the pacing and animate thin crimson connectors.

00:22 to 00:30

Build the source once. Then make every post sound unmistakably like you.

VISUAL Founder records confidently from the finished script.

ON SCREEN PROTECT YOUR THINKING

EDIT Return to the opening frame for a clean loop.

PUBLISHING PACKAGE

CTA

Follow for more systems that protect your thinking.

Consistency is not a discipline problem. It is a context problem. Build one source of truth for your expertise, voice, and positioning.

PRODUCTION DIRECTION

DELIVERY

Direct, calm, and confident. Pause after the first sentence.

MUSIC

Minimal electronic pulse at 12 percent, rising slightly at the midpoint.

CAPTION TREATMENT

Word-by-word captions with crimson highlights on system, voice, and positioning.

- 01 Founder at desk with scattered drafts
- 02 Screen recording of connected notes
- 03 Direct-to-camera final CTA
